EyeMed, an independent company, administers vision benefits on behalf of BlueCross BlueShield of Western New York. Members must receive services from an EyeMed provider and services out-of-network are not covered. To locate a provider near you, visit [bcbswny.com/vision](http://bcbswny.com/vision). Simply show your ID card to a participating EyeMed provider and they will apply the appropriate discount at the time of purchase.

\* Since Lasik or PRK vision correction is an elective procedure, performed by specially trained providers, this discount may not always be available from a provider in your immediate location. For a location near you and the discount authorization, please call 1-877-5LASER6.

Members will receive a 20% discount on those items purchased at participating providers that are not specifically covered by this discount design. The 20% discount may not be combined with any other discounts or promotional offers, and the discount does not apply to EyeMed provider's professional services, or contact lenses. Retail prices may vary by location.

BlueCross BlueShield of Western New York complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.
